**Winemaker Notes:** Inspired by music lyrics, Cherie is our expression of Pinot Noir Rosé. While it's always appropriate to share sparkling rosé with your significant other, we believe that all occasions are made brighter with pink bubbles. Here in beautiful Vista Flores, we have dedicated our pinot noir vineyard to the exclusive production of this wine in the hope that we can brighten up your day. Cheers!

**Tasting Notes:** Present salmon tones, small bubbles and persistent care speak of their preparation. Captivating nose for perfect combination of aromas of yeast, toast, candied fruits and white flowers. The palate is intense, fresh and balanced acidity.

---

Strawberry, field grass and creamy, lactic aromas feed into a bright palate with ripe but short flavors of melon and spiced apple. This is dry and dusty on the finish, with fresh acidity and a touch of powdered sugar flavor.
