Winemaker's Notes: The Painted Wolf, is also known as the African Wild Dog - a highly social animal, each with its own ornate markings. The Den is at the heart of the pack, a place where Painted wolves relax and bond. The Den Cabernet Sauvignon is a classy, full-bodied and balanced - a social wine to enjoy with family, friends and good food. A medium to full bodied wine with typical Cab flavours of black currant, brambly fruit, cigar box augmented by toasty oak. The wine has a lovely rich texture, soft ripe tannins with a long fruit driven finish.

This wine was made from ripe grapes picked to deliver a rich flavour. Cabernet fermented in tank on a blend of French oak staves, and then completed malolactic and maturation on staves in a mixture of new and older oak barrels. This wine is good now, but will continue to improve over the next 3-4 years.
