**Viticultural Practices:** On arrival at the winery all grapes were de-stemmed and crushed to open-top tanks. The must was then warmed and inoculated with selected yeasts (Assmanhaussen and RC212) and fermented during 10 days with temperatures peaking at 32°C/90°F. During fermentation the vats were hand-plunged twice daily in order to extract the ideal amount of tannin and color. Following the completion of fermentation the wine was drained off (after a total maceration time of 9 days) and put to barrel. The wine was aged for a total of 6 months in second use French oak barrels before being bottled with minimal filtration.

**Winemakers Notes:** Brick red in colour. On the nose rich notes of crushed strawberry and bramble are in evidence. In the mouth spicy notes of cinnamon are accompanied by a hint of cedar and red cherry. A well integrated oak backbone is backed-up by abundant, well-rounded tannins lending to excellent length and structure.
