

# DAVID FINLAYSON

“GS”

CABERNET SAUVIGNON 2019

*Stellenbosch, South Africa*

## Technical Notes

The 3 year long drought ended with the 2018 vintage, and this vintage marks the gradual return to normalcy. Growing temperatures returned to their historic average, after plenty of rain in the winter season. The vines benefitted from these conditions and yielded grapes that showed good balance of tannin and fruit flavors, whilst maintaining fresh acidity. Definitely a noteworthy vintage and well worth cellaring. Grapes from this special, low yielding, old, heavy clay and gravel soil vineyard, are always hand-picked in small boxes before being berry sorted at the winery. Not much sorting necessary as these pea-sized berries and tiny bunches were in perfect condition. Alcoholic fermentation was done in closed 3000L tanks, with cultured yeasts. Only the free run juice is used to make GS – (bag pressed juice is separated and used for his lower tier Cab. Maceration lasted 21 days, with pump overs twice daily. Once ready, wine was racked to med-toast French oak (50% new & 50% 2nd fill) where is spent 18 months. During this time it received 1 racking. Coarse filtration and Vegecol fining were done, along with a tiny sulfur adjustment, pre-bottling. This is a wine made to be a benchmark amongst SA Cabernet Sauvignons, while not being the more typical greener style of many Stellenbosch Cabs, but rather riper, more fruit driven. It is built to last multiple decades. 6500 btls made.

UPC CODE: 858441006149

## About this Wine

If you could imagine great Pauillac meeting glorious Napa Valley Cab in your glass.... then you might truly have the perfect “bridge between two worlds”. This is we like to tell people when attempt to place South Africa’s wine style in context. Old World meets New World....in your glass. Jancis Robinson reckons the 1966 vintage of this wine was the “best Bordeaux red she tried from that year, from anywhere”. 1968 was also a great vintage. The owner of this farm died several years later, sadly, before his wine achieved international acclaim as the best red wine ever produced in South Africa. Bittersweet! In 2008 our producer David Finlayson, convinced the owner’s daughter to let him make a Cab, in honor of her late father, George Spies (GS). It’s one of the most wonderful stories of our industry – the reincarnation of greatness – a true category leader. World class wine with an equally impressive story! David is the quintessential “garagiste” and is focused on small production wines of high quality. His barrel shed for this wine, is an old decommissioned, refrigerated rail car, once used for the transportation of milk. He sunk it into a hillside behind the winery and today it houses his barrels of GS Cab.

## Wine Analysis

Alcohol: 14.62%

Acidity: 6 g/l

pH: 3.51

Residual sugar: 2.3 g/l

- ✓ VEGAN FRIENDLY
- ✓ SUSTAINABLE
- ✗ ORGANIC
- ✗ BIODYNAMIC

Clones planted: CS163,CS46  
Rootstock: R110,101-14  
Soil types: Malmesbury Shale on deep red clay  
Aspect of vineyards: NW  
Ha planted: 2.5  
Planting distance: 4ft x 8ft  
Vines per hectare: 3000  
Trellis system: Double Cordon hedge  
Irrigation: Supplementary drip  
Average Production: 4.5t/ha  
Harvest dates: Late March 2018  
Altitude: 370m  
Temperature: 24-36C  
Rainfall: +-600mm/annum

## Tasting Note

The wine displays typical cassis and blackcurrant fruit on the nose as well as having a fresh minty, herbaceousness, backed by a mocha/vanilla note. Firm structured tannins and a long finish on the palate show great ageing potential.

## Scores/Reviews

2018 - 92 pts Wine Spectator Magazine  
2017 – 92pts Wine Advocate, 91pts Wine Spectator  
2015 – 94pts John Platter  
90pts Wine Spectator  
90pts Tim Atkin  
2014 – 93pts Wine Advocate  
2013 – 91pts Steve Tanzer
