

Rieslingfreak

NO. 33
RIESLING
2023

93pts Erin Larkin, Wine Advocate

"The 2023 No. 33 is a sensational depiction of Clare Valley. This is a sensational little wine here. Ripper. 12% alcohol, sealed under screw cap. The 2023 season was cool and wet, and while this may not have suited all varieties and all vineyards, there was very little disease pressure in the Rieslingfreak vineyards, and the grapes benefited from longer hang time due to the cool weather. These are pristine, long, concentrated wines with that laser, cool-vintage cut. Great. Winemaker/owner John Hughes credits this as one of his finest vintages. Part of the Growers Series, Clare Valley, this (and the No. 44) is not available inside Australia—USA, you lucky ducks!"
